	Augusta, Georgia 30901 to Amend Class E	)	COMPLETE STUDY
	(Household) Goods Certificate and Public	)	
	Convenience and Necessity No. 9714-A along	)	
	with a Request for a Rate Increase	)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of the South Carolina Office of Regulatory Staff (ORS) to postpone action in the processing of tariff revisions on the Application of Dowdy Five Star Moving & Storage, Inc. (Dowdy or the Company). On April 17, 2008, Dowdy filed its application with the Commission seeking approval to amend the Company's scope of authority and to amend the Company's current tariff on file with the Commission.

By letter filed on April 30, 2008, the ORS requests postponement of the Commission's ruling on the application of Dowdy for an amended schedule of rates and charges to the Company's existing tariff to give ORS an opportunity to perform an audit and impact study regarding Dowdy's application. If the Commission approves ORS' request, ORS states that upon completion of the audit ORS will advise the Commission of the results of their study and their position in this proceeding.

We have examined this matter and agree that holding Dowdy's application over for a brief time so that the ORS can investigate the application is in the public interest. Further, we determine that granting the ORS until June 20, 2008, is sufficient time for the ORS to investigate this application, since the application was filed with the Commission on April 17, 2008. The ORS should complete its investigation and make a recommendation concerning disposition of this matter as soon as possible, but no later than June 20, 2008.

This Order shall remain in full force and effect until further Order of the Commission.
